

Richard Wu
Director, Asia Operations
Inflexion Point Strategy, LLC
richardwu@ip-strategy.com
886-937-901032

Richard Wu is based in Taipei, and manages Inflexion Point's operations in the Asia-Pacific region. Richard has more than twenty years of design engineering and management experience with both Taiwanese and foreign semiconductor, systems technology, and medical device companies.

Prior to joining Inflexion Point, Richard was Regional Sales Director for Chipworks, a leading technical and patent intelligence and analytics firm based in Ottawa, Canada.

Richard has expertise in patent validity and infringement analysis, product and process reverse engineering, market sizing, licensing negotiations and patent litigation support across a broad range of markets and technologies.
